Asyntho 5W-30

Description

Asyntho 5W-30 is a modern, universal, fuel-saving, Long Life motor oil based on synthetic base oils with a naturally high viscosity index. It is supplemented with advanced additives to achieve the following properties:

- Fuel saving
- Limited evaporation losses
- A very high 'natural' viscosity index
- Significant resistance to shearing
- Smooth and effective lubrication on cold starts
- Protective lubricant film, even at extremely high operating temperatures
- Excellent dispersion and detergency
- Very high resistance to wear, corrosion and foaming

Application

Asyntho 5W-30 is suitable for petrol and diesel engines, with and without turbochargers, in cars and vans insofar as they require the following specifications. Asyntho 5W-30 complies with the latest applicable Opel Long Life specifications and can be used in Ford Zetec engines.
